**THERE WAS A HOT TIME.**

Jolly Haymakers Made the Hay and Hash Fly Last Night.

The Loft was full of hotness last night.

Four poor, deluded mortals, who probably thought life had been worth the living, were convinced of their error; but now that they are reckoned among the haymakers of life in future will be to them a long sweet death.

The quartette were given the best in the shop and plenty of it, sizzling hot.

After the formal ceremonies reared to Wallace's Manhattan, where a delightfully seasoned lunch was spread.

## The Tobacco Fair!

Some Important Points About the Coming Tobacco Fair.

MAYVILLE WANTS A PLUG FACTORY.

The samples for exhibition can be had in any time during Thursday and taken to the Neptune Fire Hall and up to 10:30 o'clock Friday morning, February 23d.

The management has secured the Courthouse for a meeting of the tobacco growers. Friday evening, will be presented over by Mr. Abner Hord and Mr. Henry Lloyd as Secretary. There will be an address by Mr. Thomas M. Scott of Cincinnati, and a number of other gentlemen are expected to deliver short speeches.

The matter of considering the reduction of tax on manufactured tobacco, suggested by Mr. Evan Lloyd of Cincinnati, may also be taken up and considered at this meeting; and other topic which may be of interest and importance to the growers of leaf tobacco of Kentucky and other states.

It is to be hoped that this meeting will prove one of great interest and benefit to the growers, as the design of the Tobacco Fair is to benefit farmer, dealer and merchant.

A number of tickets have been printed and are for the use of persons and residents in the city of Mayville or county of Mason. They are in the hands of the President of the Board of Trade and will be given to any citizen who desires to send them to friends who reside in adjoining counties or in places outside of Kentucky. The management of the Fair will be pleased to have the citizens of Mayville and Mason county call and get these tickets, so that they may have a wide distribution, and in this way bring to our numerous people who would otherwise visit the Fair.

The entire proceeds of the operation will be reserved for persons who bring samples of corn, wheat, tobacco or potatoes to compete for the prizes. The doors of the Tipherouse will be open at 12:45 o'clock, at which time the music will begin, and the regular exercises of the program will be laid down, without interruption, 1 o'clock.

The utmost care will be taken in order that each person who brings a sample for exhibition may have fair opportunity to secure a premium upon his sample which he exhibits.

We expect the citizens of Mason county to consider themselves hosts on the occasion, and to do all in their power to entertain the persons visiting us from other points. It is not expected that any man who is a citizen of Mayville or Mason county will feel that it is necessary for him to have a ticket in order to be admitted to the Opera house, provided that the same is obtained from the door, where it is to be thrown open after the exhibitors and visitors have been seated.

We will be glad to have the Committees appointed by the President of the Tobacco Dealers Association meet in Mayville on Friday morning to consider all arrangements for the exhibition, so that there may be no delay and no occasion for complaint on the part of any man who wishes to exhibit his samples of corn, wheat, potatoes or tobacco.

We would like very much to invite all the ladies of Mason county to be present on this occasion, yet we find

it will be impossible to accommodate them and their relatives room for the exhibition of tobacco; consequently, we would have room for such persons as will act in the capacity of reporters for some accredited newspaper.

The Ministers of both Kentucky and Ohio will be welcome, and we feel assured that the two will heartily approve of every feature which may be introduced.

We desire to request the reporters who represent the different newspapers to give the Tobacco Fair as much publicity as possible before it takes place, and to be present at that occasion, and in this present credit to the city which they represent.

We wish to return hearty thanks to the local papers for the interest which they have already manifested, and feel sure that they will do their part well in regard to whatever yet remains to be done.

Suggestions will be received with thanks from any persons in the county in regard to what they think will add to the success of the Fair.

We note with pleasure some suggestions from Mr. H. C. Clay Stone in one of the daily papers of the 11th Inst., and hope that the various exhibitors will take advantage of the good features which may have developed in the last Fair will be corrected in this, and we hope to have his hearty co-operation in making this occasion, what we trust it will be, a great success.

Onions growers will compete; Seats will be furnished exhibitors.

A splendid program has been arranged.

Half-rate on L. and N. and C. and O. Railroads, and on all bus lines.

He was remitted, and then he carried the case up to the higher court, and now the appellate term of the Supreme Court has affirmed the judgment of the lower court. It has cost the litigious plaintiff the price of several dozen undershirts.
